

A little more about Kirk Moore –

1610 Jasper Drive, Wheaton, IL 60189 - (630) 204-1436

I have experience leading with a 2021 perspective, having been the leader of a non profit organization during the 2020 pandemic and continuing in that role. I lead well and collaborate seamlessly.

I am an engaging and entertaining speaker. I'm an accomplished songleader. And I work well with children, youth, and adults. I'm also a recording artist with a few songs that have seen significant, though not massive, play numbers.

I'm a therapeutic musician – a certified music practitioner – who plays music at the bedside of patients, helping to create a healing environment.

I can help share a vision with a group and help them to take steps to see that vision through.

I'm fluent in most forms of advanced technology and equally as fluent in older, just as important, analog avenues for presentation.

I offer leadership experience in many areas:

Local settings

- Fundraising
- Event coordination
- Head of Staff

Regional settings

- Meeting leading and planning
- Committee leadership
- Keynote Speaker and Workshop Presenter

National Settings

- Featured blogger
- Resource writer
- National conference presenter
